

• All service should be performed by qualified personnel - power supply to be disconnected prior to installation.

• Connections made must comply with local regulations and the national electrical code. Contact Solera for additional information on installations.

## Installation Instructions: ACER

1  
Make all necessary power wire connections in the junction box.

2  
Place the wall mtg. plate over the center of the junction box and mount to the junction box with qty (2) screws. Alternatively, use lag screws (hardware by others).

3  
Place the front fascia over the wall mtg. plate and use qty (4) screws (supplied) to secure fascia to the wall mtg. plate.
