

- All service should be performed by qualified personnel - power supply to be disconnected prior to installation.
- Connections made must comply with local regulations and the national electrical code. Contact Solera for additional information on installations.

Installation Instructions: AMEX

1 Place the wall mtg. plate over the center of the junction box and make annotations on wall for wall anchor locations.

2 Put anchors into wall. Fasten wall mtg. plate to wall and anchors using all qty (4) lag screws. (All hardware by others).

3 Make all necessary connections.

4 Place the fixture housing over the wall mtg. plate and use qty (6) screws (supplied) and mount housing to the wall mtg. plate.

ADDITIONAL NOTES:

1) The wall mounting plate does not mount directly to the junction box. Any modifications made to the fixture in order to mount to the junction box, will void the warranty.

2) If mounting on walls with rough or uneven surfaces silicone must be applied around the edges of the gear tray between the walls & the fixture.
