

• All service should be performed by qualified personnel - power supply to be disconnected prior to installation.

• Connections made must comply with local regulations and the national electrical code. Contact Solera for additional information on installations.

Installation Instructions: CEDRO

1
If required, place the wall mtg. plate over the center of the junction box to mark the location of anchors on the wall. Add anchors to the wall.

2
Place the wall mtg. plate over the junction box center. Secure to the junction box with qty (2) screws, or the wall using lag screws, or both. (Hardware by others)

3
Make all the necessary connections in the junction box.

4
Position the fixture housing over the wall mounting plate and use qty (4) screws (supplied) and mount fixture housing to the wall mtg. plate.
