

- All service should be performed by qualified personnel - power supply to be disconnected prior to installation.
- Connections made must comply with local regulations and the national electrical code. Contact Solera for additional information on installations.

Installation Instructions: ZILLA

1
Make all the necessary power wire connections in the junction box.

2
Position the wall mtg. plate over the center of the junction box and mount to the junction box with qty (2) screws. (Hardware by others)

3
Place the front fascia over the mtg. plate and use qty (4) screws (supplied) to secure fascia to the wall mtg. plate.

ADDITIONAL NOTES:
If mounting on walls with rough or uneven surfaces, silicone must be applied around the edges of the housing between wall and the fixture.
